World Phone is recognized as one of the 10 fastest Internet Service Providers and amongst the most trusted Internet/Cloud Telephony providers in India. *

World Phone is headquartered in New Jersey, USA since 1984. It established a subsidiary and commenced its business in India in year 2000. For the last 20 years, World Phone has been in forefront of innovation helping small to midsize companies grow. It is well known for its leading-edge inventive solutions in the Internet and Internet telephony space. World Phone has recently launched another world class product – World Phone CRM. This makes World Phone probably the only solution provider bringing Internet, CRM and Telephony as a one-stop Work From Anywhere solution.

Mission

It is our firm belief, based on cumulative experiences across many countries, that only a product with an excellent value proposition to the customers would survive. It is our mission to provide excellent value to our customers on a daily basis.

Vision

Be a leader in communication services using Seamless and World-Class Technologies for delivering cloud solutions. To continually set standards in customer satisfaction in terms of Price, Product, and Services by optimal use of the resources.
